WHAT IS AYSO?

The American Youth Soccer Organization (AYSO) is a national, non-profit volunteer organization that provides soccer programs to youth worldwide. Local AYSO Region 969 serves approximately 650 players every year, ranging from ages 4 to 18, in the Del City, Midwest City, and Tinker Air Force Base community.

AYSO follows **FIVE PHILOSOPHIES** that separate us from all other youth sports.

Everyone Plays

Our goal is for kids to play soccer. We mandate that every player on every team must play at least half of every game.

Balanced Teams

We set up teams as evenly balanced as possible—it is more fun when teams of equal ability play.

Positive Coaching

The way to make winning kids is by building them up—not knocking them down. We train and encourage our coaches to make the extra effort to understand and offer positive help to our players, rather than negative criticism.

Open Registration

Our programs are open to all children between the ages of 4 and 18 who want to register and play soccer.

Good Sportsmanship

We desire to create a positive environment based on mutual respect, rather than a win-at-all-costs attitude.

MISSION STATEMENT

To provide quality youth soccer programs where everyone builds positive character through participation in a fun, safe, and family-oriented soccer environment.
