

Check Endorsement Stamp

This is an example of the check endorsement stamp Region 205 uses upon receipt of all checks. Having several stamps available at Registration is very useful as we immediately endorse the registration checks. We purchased them at Office Depot at a cost of approximately \$35 each. I provided a link to their website with a similar stamp. With a Region with approximately 1,400 players, they save a lot of time and help ensure that the funds can only be deposited to our Region's account.
