

AYSO Player Evaluation Form Please follow these instructions carefully!

Note to Coaches: This form was created to help AYSO in Trumbull form balanced teams. Inaccurate ratings will effect an entire division.

Experience has proven that youth soccer is more enjoyable for everyone when games are played by teams of similar ability. Commissioners spend countless hours each season trying to put together fair and balanced teams. But, without our coaches best efforts to accurately rate their players, it can be difficult, or next to impossible to achieve.

If you have any additional comments to add about a player, you can write them on this form. Feel free to use the back of the page.

NOTE: (In the Spring, Please return it with your Ball Bag to receive your team trophies.)

Please use the following criteria to assign players ratings.
It is important that you read and understand this before proceeding.

- 4 = Player has the ability to dominate the game from any position.
- 3 = Player has above average skills and plays well in most positions.
- 2 = Player has adequate skills, and is an average player with good effort.
- 1 = Player usually struggles, or seems to lack interest.

Note: Use caution when rating a player either a 4 or 1. Most players fall somewhere in the middle.

- Current Select team players should be rated no lower than 3.

**THIS FORM IS USED TO CREATE BALANCED TEAMS!
IT DOES NO GOOD TO RATE EVERYONE ON YOUR TEAM THE SAME!**
