

Hello Region 969 Board Members!

THANK YOU for all the time and effort you have put into this past season. Each one of you have gone above and beyond to ensure a very successful and productive season. As you know it is now time to get ready for the fall season.

The easiest way to let people know about AYSO is by getting our road signs out. I am asking that each family get 10 to 20 road signs and place them all over Del City, Midwest City, Tinker Gates and surrounding business. Be respectful of MWC soccer and not place our signs directly next to theirs. Go down 10 feet or so and place them on the opposite side of the street and if possible put them close to telephone poles or other large objects so the city won't mow them down.
